# GO LG PRO

Whether you're building a new home or retrofitting an existing home, we are here to help.

We know you want your HVAC system to integrate easily with your smart home, and LG offers a more complete product ecosystem that will keep you connected. To experience the comfort you deserve and get the most out of your new HVAC system you'll want to use an LG Pro Dealer in your area.

Here are 5 benefits of using an LG Pro Dealer for your HVAC installation.

**1.**

They have access to training and service tools to ensure they're up to date on the latest installation techniques for your LG system.

**2.**

You'll be able to take advantage of pre-negotiated financing programs and related promotions through LG to make sure you have the best system for your home.

**3.**

LG Pro Dealers can offer a 12-year warranty on your system when installed by an LG Pro Dealer<sup>1</sup> versus the standard 10. That's two extra years of warranty coverage!

**4.**

They have access to priority technical support if an issue arises.

**5.**

Access to the latest technology LG has to offer for your in-home comfort. An LG Pro Dealer can provide recommendations for heating or cooling in every area of your home with single and multi-zone solutions.

Contact your local LG Pro Dealer today at [lgcomfortzone.com](https://lgcomfortzone.com) to get started!

1. Upon expiration of the product's original manufacturer's limited warranty period, an extended limited warranty period may apply on parts and compressor for qualified and registered LG Residential Light Commercial (RLC) products.
